

Rules of the House

**If you have to ask if it's too early to have a beer,
you are clearly an amateur and we cannot be friends.**

I make beer disappear ... that's my superpower!

**My optometrist said I need glasses
so I bought new steins for the bar.**

**Have another beer because
no great story ever started
with someone eating a salad.**

**I've quit drinking for good!
Now I just drink for evil.**

You can't drink all day unless you start really early...

NO WORKING during drinking hours!

**Warning – Alcohol consumption may make you
think you are whispering when you are not!**

**You can't buy happiness but
you can buy beer and that's sort of the same thing.**

**Hungry – We have Food!
Thirsty – We have Beer!
Lonely – We have Beer!**

**I always mean what I say
I may not mean to say it out loud
but I always mean it.**

**Not all who wander are lost,
some are just looking to get back to the bar.**

**MEN: No shoes, no shirt, no service!
WOMEN: No shirt, free drinks!**

**In beer there is freedom, in wine there is health,
in cognac there is power, in water there is bacteria**

Cenosillicaphobia – Fear of an empty glass

Drinking responsibly means NO SPILLING!

**I'm a beer enthusiast,
the more beer I drink,
the more enthusiastic I become.**
